Events Abroad

If your event is taking place abroad, there are a few things that must be discussed before going ahead with the booking.

- 1) **SOUND SYSTEM** - Is there a sound system provided at the venue, or will the artist have to source the sound system? If the venue don't have any equipment of their own, there may be an extra charge for hiring a system from a nearby provider, or for the transportation of my personal equipment.
- 2) **ACCOMMODATION** - Are you able to arrange accommodation onsite of the performance? I do ask that you cover any accommodation costs, however, if no accommodation is available onsite at the venue that I am performing at, I also ask that you cover travel costs allowing me to get to my accommodation from the venue, whether this by taxi, or hiring a car for the duration of my stay.
- 3) **VISAS/INSURANCES** - Depending on the location of your event, and how long I am required for, I may be required to apply for a working visa, or for specific insurances. If this is the case, there may be an extra fee just to help cover these costs, however, I will always try to keep any extra fees as minimal as possible.

Extra Fees

TRAVEL EXPENSES

I offer free travel for any events that are within a 30 mile radius of where I am based (Winsford, Cheshire). If your venue is outside of this 30 mile radius, there will be extra travel expenses, unless discussed otherwise.

Based on HMRC's recommendation of **£0.45p per mile**, I will only charge for each mile that is outside of the free 30 mile radius. However, I will always round the figure down, so if the extra mileage comes to £24, I will round this down to £20. If I am travelling by train, or if the event is abroad, I will ask that you cover the cost of my fayre/ticket(s).

SOUND EQUIPMENT HIRE

I can provide a full PA system, consisting of 2 speakers. This system is suitable for use indoors and outdoors, so long as there is an available power source within a 10 meter range. If a larger sound system is needed, or another sound system if the event is taking place in 2 locations, the client will be required to cover the hire charge.

I can also provide an amplifier, suitable for smaller venues and more intimate crowds. However, please note that this system is not as powerful as the PA system, so is only used in circumstances where the crowds are small, or there is minimal noise, like the ceremony.

LONG PERFORMANCE BREAKS

If you are interested in booking several performances throughout the day, please note that there is an extra charge of **£30** for any performances that are 2+ hours apart, as this just covers my costs for a full day. This is just a single charge, and will not be multiplied if there are several performances that are each 2+ hours apart.

ACCOMMODATION

Depending on how far away the venue is, and what time I am booked to perform, I may require overnight accommodation. The fee for this will be taken into account and I do request that you cover the cost of any accommodation required. I will always try to avoid any extra charges, however, under circumstances where, for example, your event is a 5 hour journey for me, and you've booked me to play until 11pm, I will be required to source accommodation.

Pricing

All quotes are **flexible!** I will always try my best to work within your budget and requirements, so please feel free to discuss anything with me if you are unhappy.

Booking & Payment

To secure your booking, I will require you to sign a performance contract and to pay a deposit. This deposit is to be paid immediately, and **must** be paid within the time frame stated on the invoice or contract. In the circumstance that the booking is made with less than 30 days until the event, I will require the deposit within 48 hours.

I can accept payment via cash, cheque, and bank transfer. Final payment can be made at the same time as the deposit, or any time before the event, on the day of the event, or within 7 days following the event. However, payment **must** be paid **no later** than 7 days after the event. This will also be stated in your contract.

Important Information

MUSIC CHOICES

It is important to me to be able to make your big day setlist as personal and as special as possible. I will always try to incorporate as many song requests into my set list as I can, but please be aware that not all songs will make it, simply due to vocal suitability. I have a full songs list that I am able to send through to you upon request, and you are welcome to highlight any particular songs that you like/dislike from this list, as well as adding your own. Although I do offer this option of bespoke set lists with your personal requests, I will require your song choices at least 3 months in advance of the event. I would kindly like to remind you that I am **not a jukebox**, I am a **live** musician, and it does take time to learn new material, so unfortunately, I will not be able to accept any song requests from yourselves or your guests on the day of the event. The latest I will accept song requests will be one month prior to the event date.

DRESS CHOICES

If you have a particular theme or dress code for your occasion, or if you have any special requirements or requests (for example, shoulders to be covered), please be sure to let me know as soon as possible.
